

**SUCCESS STORY . . .** Torrance jockey Randy Mills talks over race with Eddie Arcaro. Mills read Arcaro's book "Riding to Win" then captured 45 races as an apprentice in Canada. Late in November, Mills won his first race in the United States, guiding Forfosta to a victory at Bay Meadows.

# Lions Expect Record-Binge

Southland drag history is expected to be made Saturday night at Lions Drag Strip in Long Beach. Nearly every top name driver in the country will be on hand in an attempt to set new world records on the freshly repaved strip. Traction is expected to be excellent with the new paving, and strip manager, Mickey Thompson, feels certain many records will fall. Leading the assault on the

record books, will be Don Prudhomme. Prudhomme, who hails from Van Nuys, has already served notice that he will be after the \$1,000 offered to the first driver to travel the 1/4 mile in less than eight seconds. Nationally rated Texas champion, Vance Hunt, will also be entered, as will national champion Jack Chrisman of Long Beach, and world record holder Don Moody of Santa Monica.

A fine battle looms in the gas eliminator event as well, with Chrisman entering two cars, world record holder John Peters of Santa Monica, Tom McEwen of Long Beach and possibly Gordon Collett of Ohio all fighting it out. Over \$2500 is up for grabs, plus an extra \$1,000 for bettering 190 mph or getting under eight seconds. The Lions strip is located on 223rd Street, right at the Ala-

meda Street turnoff of the Santa Monica Freeway in the North Long Beach area. Action will start with time trials at 1:30 p.m. Final eliminations get underway at 7:30 p.m.

## Grid Championship To St. Catherine

St. Catherine Elementary School in Torrance today holds a trophy symbolic of capturing first place in the Bishop Montgomery football carnival.

## Recreation Basketball Underway

Recreation basketball is underway in Torrance. In three Thursday League practice games last week, Airsearch fell 29-25 to Aeronca, Harvey Aluminum posted a 37-34 win over McCulloch, and Party House took a 58-41 decision from Murphy.

Bob Citrowski and Bill Clark dumped in eight points apiece to pace the Aeronca win. Jon Jacobelli connected for nine points to lead all scorers and head Airsearch.

Bill Milo chipped in with 13 points to guide Harvey Aluminum. In the losing cause, Ron Duncan hit for 15 digits.

Richard Ruffell and Jim Mannix combined to lead the Party House five. Mannix dropped in 22 points while Ruffell was responsible for 20 markers.

Official Thursday League competition will open on January 3 with a full schedule planned.

## Difficulties Postpone Ice Clash

Equipment difficulties have forced the postponement of the opening California Hockey League fray for the Long Beach Gulls.

Originally, the Gulls were set to meet the Los Angeles Canadians tonight, but the game will now be held later in the season.

Doug Bentley's Gulls will definitely open their Long Beach Ice Arena season on Dec. 14 against Bakersfield.

The failure of a manufacturing company to fulfill its contract for the delivery of dasher boards to the Long Beach Arena on time was the reason behind the postponement.
